## Speed Will Remain Same Bacom Point

The question of raising the speed limit on Bacom Point Road from 35 to 45 miles an hour was pondered by the Pahokee City Council in regular session last week. The traffic Division of the State Road Department had requested of the city that the speed limit be raised 10 miles an hour on Bacom Point Road, which is maintained by SRD as secondary SR 715. As a result of this request the city made a survey of traffic conditions on this road and the survey indicated, according to the report given at the meeting by Mayor F. S. (Dick) Parrish, that any increase in speed limit would be inimical to public safety. The Council voted against any increase in the existing speed limit.

Walter S. Estabrook of West Palm Beach, house numbering specialist who recently completed the re-numbering of Pahokee residents and business houses preparatory to the establishment of city mail delivery service, submitted at the final report of his work which was accepted by the Council.

R. F. Hurt was granted a 30-day permit for parking a house trailer back of the CPG ice plant for use by the night watchman of the plant.

President G. H. Tucker, Jr., presided with all members present. Mrs. Dorothy Fletcher, assistant to the city clerk, acted as secretary in the absence of City Clerk Patricia Betchelor who was on vacation.

## David Stewart Is New Tax Assessor

Gov. LeRoy Collins announced Monday his appointment of David Stewart to succeed James M. Owens, Jr., as tax assessor of Palm Beach County.

Owens, who has served as assessor for 34 years, submitted his resignation to Governor Collins in a letter dated Friday, Aug. 23.

In his reply, the Governor has written to Owens as follows: "Your service in the office as an assistant and as assessor for nearly half a century has encompassed unbelievable growth on behalf of your county as well as the entire State. The recent complete revaluation of Palm Beach County property as required by law and which has been achieved under your courageous leadership and direction has placed you in the vanguard of those who have realized that it is only through such procedure that fair and equal taxation can be accomplished for the protection of all taxpayers alike."

"I commend you on behalf of the State and wish you good health and happiness in your retirement."

Stewart, 39, takes over effective Oct. 6. He has been employed in the tax assessor's office for more than 12 years, since Jan. 1, 1947, and has been chief real estate appraiser for the past eight years.

Unassisted, Stewart made a complete reappraisal of all land valuations in the county, starting in November, 1957, and completing it in August, 1958, in time for the 1958 tax roll. He also directed the reassessment of all real estate improvements for the 1958 roll.

## Trooper Foster Is Assigned Pahokee

FHP Trooper James S. Foster, formerly stationed in Miami, has been assigned to the Glades area with headquarters at the FHP station in Pahokee, replacing Trooper Harold S. Peterson who has been transferred to Vero Beach. Mr. and Mrs. Foster and their three children, Kathie, Steven and Ricky, have moved into the house on East Main Street that was vacated by the Peterson family when they moved to Vero Beach. Mrs. Foster, a registered nurse, has joined the nursing staff at the Everglades Memorial Hospital.

## Pahokee Schools Set For Opening

A Student Guidance Program for boys and girls, 7th through 12 grades, is being introduced for the first time at Pahokee High School with the opening of school on Thursday of this week, according to Principal Brooks Henderson.

Vance Denton, PHS industrial arts instructor last year, has been appointed student counselor and director of the guidance program. Denton, who received his bachelor's degree from A. and M. College of Texas, started working the past summer for his master's degree in student guidance at Appalachian State Teachers College in Boon, N. C.

In the guidance program, according to Denton, an attempt will be made to meet the needs and interest of the student by giving individual attention and by reaching an understanding of the student's problems and helping him understand himself. The school, through this program, can help the student make the most of his education and vocational opportunities. There will be personal conferences, the collection of information on different occupations and schools, tests and records that will be of value in assisting the student to select a college most suitable for the development of his talents if he wishes to continue his formal education after high school, or to acquire the job for which he is best fitted in training and talents if he does not plan to attend college.

New teacher appointments at Pahokee Schools had all been confirmed this week and the faculty is complete for the opening. Walter Lowe is replacing Mr. Denton as industrial arts instructor and Joshua Seaver is the new director of the popular Diversified Cooperative Training program which was started at Pahokee High School for the first time last year. Other new teachers joining the faculty this fall include Herman Close and Roland Kahle, mathematics instructors; Miss Sue Opler, girls' physical education director; Robert Hoffman, high school librarian, and Claude Campbell, 6th grade teacher.

### O'CONNELL BETTER

Deputy Sheriff Frank O'Connell was transferred the past week from St. Mary's Hospital in West Palm Beach to the Everglades Memorial Hospital where he will be closer to his friends in the Glades while recuperating from a recent heart attack.

## Corporal At Citadel

RONNIE HITCHCOCK  
Canal Point

CHARLESTON, S. C.—The Citadel, the Military College of South Carolina, has designated a rising junior, Cadet Charles Ronnie Hitchcock of Canal Point as a Corporal in the Corps of Cadets during the 1959-60 academic year.

A total of 155 Corporals were named, all Juniors, since this is the highest rank available to Juniors. Ranks of sergeant or above are reserved for Seniors.

Cadet Hitchcock is a son of Mr. and Charles H. Hitchcock of Canal Point, and a member of the football team.

## Harrington Heads L. O. Farmers Co-Op

A. Roswell Harrington of Canal Point was elected new president of the Lake Okechobee Farmers Cooperative at a board of directors' meeting following the recent annual dinner of LOFC members at which Floyd Erickson and Harold Webb, Jr., both of Canal Point, were named new directors.

Other officers elected for the coming year were J. F. Waddell of Pahokee, vice president; Harold Webb, Jr., secretary-treasurer. Edmund Thomas was retained as general manager of LOFC operations.

The widening and rebuilding of Lake Shore Drive on which the LOFC packing house is located at the south end of Canal Point has necessitated the remodeling of the packing house this summer to enable refrigerated transport trucks to back up to the packing house platforms without blocking the street.

## Farm Bureau Will Seek New Members

Plans for the annual membership drive of the Everglades branch of the Florida Farm Bureau were made at the regular meeting of the board of directors with Walter Kautz of Canal Point, president, presiding. Members and their wives will meet at the Belle Glade Country Club for a barbecued chicken dinner Tuesday, Sept. 7, at 7 p. m. the dinner to mark the kick-off of the drive. Guest speaker at the dinner will be Wayne Mixson, field director for the American Farm Bureau Federation.

## Hospital Will Pay Delinquent Bonds

The Northwestern Palm Beach County Public Hospital Board, which supervises the operation of the Everglades Memorial Hospital in Pahokee, has informed the Pahokee City Council that it intends to pay the remainder of its delinquent bond account, amounting to \$21,900, in October of this year. This sum represents the amount of hospital bonds paid off by the City a few years ago when the Everglades Memorial Hospital was operating at a deficit and was unable to meet the annual bond payments on the hospital building.

## Canal Point School Opened Yesterday

The Canal Point School opened for regular classroom sessions on Thursday of this week with faculty complete and everything in readiness for a successful school year, according to Principal W. W. White.

Mrs. Ruth Stewart, wife of the Rev. Charles Stewart, pastor of the Canal Point Baptist Church, is joining the faculty as new teacher of the third grade. Teachers returning for another year at the school include Mrs. Alma Burr, Mrs. Helen Henderson, Mrs. Billie Huddle, Mrs. Charlotte Walston, Mrs. Mildred Larrick, Mrs. Gladys Harrington and James Threlkeld.

A handsome new cafeteria for the Canal Point School, connected with the main building by a covered walkway, was completed by Wiley Tillis, Pahokee contractor, during the summer. The Parent-Teacher Association is making plans for an open house in the new cafeteria Sept. 8. Other improvements made at the school during the summer were the laying of a new roof, fireproofing of the custodian's supply room and the installation of new desks and new shelving in the first, second and third grade rooms.

Lake Shore Drive on the west side of the school grounds is under the process of being rebuilt and it is expected when this work is completed the drainage of this street next to the school, which has been very inadequate in the past, will be greatly improved.

## Students To Ride For One More Year

Palm Beach County students within the two mile limit of schools will be transported again this year as they have been in the past, according to a ruling made on Wednesday of this week by the Board of Public Instruction.

The state law says that children living within the two mile limit shall not be transported on school buses and the Palm Beach county board had planned to enforce the law starting this school term. Opposition was so strong that members of the board relaxed their rule and said that a year of grace will be given. After that—?

Mr. and Mrs. J. C. Mock had as recent guests Mr. and Mrs. Sealy Smith of Auburndale.

## New Site Chosen For Pahokee P. O.

Selection has been made of a site for concentration of bids for a new post office building at Pahokee, Florida. The site is located on the northwest side of Bacom Point Road, and is owned by Mr. and Mrs. Albert J. Gamot of Pahokee.

The building planned for Pahokee will be representative of modern facilities now being erected in other areas under the Post Office Department's Lease Program. Consideration will be given to the provision of air-conditioning. Further negotiations at Pahokee, including the posting of advertisement, development of bids, etc., will be conducted by Real Estate Officer Walter P. Selcer, Jr., P. O. Box 4964, Jacksonville 1, Florida. Interested bidders should be encouraged to contact Mr. Selcer.

The new building will be constructed under the Post Office Department's Lease Program. Under this program, the Post Office Department is granted an assignable land option on a piece of property and advertisement is posted inviting bids for the construction and lease to the Department of a post office building thereon. If satisfactory bids develop, the option is assigned by the Post Office Department to the successful bidder, who purchases the property and constructs the building for lease to the Department.

## Elks Attend Clinic Headed By Vann

More than 200 Elks and their wives participated in the activities attendant to the first District Deputy's Clinic conducted by James W. Vann of Pahokee, new district-deputy grand exalted ruler of EPOE Florida South Central District, at Pahokee Sunday with Lodge No. 1638 acting as host.

The clinic, held Sunday morning from 10 to 12 o'clock, was preceded Saturday night by a steak supper held in the social hall of the Pahokee Elks Home honoring early arriving out-of-town visitors and was followed by a barbecue dinner at 1 p. m. Sunday, with Harold Wilkinson in charge of arrangements.

BPOE lodges of the district represented at the clinic included those of Vero Beach, Fort Pierce, Stuart, Jensen, Riviera Beach, West Palm Beach, Lake Worth, Delray Beach, Pahokee Belle Glade, Clewiston, Naples and Fort Myers. Among the past district deputy grand exalted rulers present were Alex Arnette, W. E. Poland and Almer I. Teeder of West Palm Beach, Charles H. Peckels of Fort Pierce, Arnold Kirkman of Belle Glade, A. Pat LeMoynne of Fort Myers and Parker T. Wilson of Clewiston.

### IN THE HOSPITAL

Among the patients at the Everglades Memorial Hospital Wednesday were Frank O'Connell, Thomas Hooks, Mrs. Lelia Davis, Mrs. Mattie Elliott, Mrs. Bertha Usher, W. K. Buchanan, Mrs. Joyce Avera and Duane Rhodes.

## Palm Beach County Fair Goes Big Time, Now South Florida Fair And Exposition

The Palm Beach Fair scheduled for Jan. 22-30, 1960 has a new status and a new name, according to W. A. Boutwell, Sr., President. Formerly known as the Palm Beach County Fair, one of the largest in the South East, it will henceforth be operated as the South Florida Fair and Exposition.

This expansion will include the present directors and allow representation where desired from each county in South Florida. Each agricultural agent and a representative of the county commission are entitled to seats on the Board. Agricultural agents who have accepted seats to date are in addition to Palm Beach; Broward, Dade, Indian River, Martin and Okeechobee.

In keeping with the expansion, Boutwell announced that W. Lamar Allen who has been associated with the fair since World War II, has been appointed full time Secretary-Manager. MacAlister Markers will continue as Concession Manager and Miss Ella Margaret Burket is Public Relations Director.

Secretary-Manager Allen reported at a recent meeting that: "The Fair's rapid growth is due to both the facilities and its location in the heart of agriculture and population in South Florida." At present the fair is among the top 25 percent in size in the nation. Last year's attendance was reported at 108,000.

Present holding of the Fair Association have been appraised at \$421,240. These consist of 147 acres, four large exhibit buildings, administration buildings, horse show arena, 1/2 mile paved automobile race track and grandstand, 22 acres of show area enclosed by chain link fence and ample additional acreage for future expansion, also a surfaced parking lot for 6,000 cars.

A colorful history began when the first fair was established in 1912. This was held on the site of the County Court House. It operated continually through the Florida boom and into the depression. Spearheading its beginning these first years were J. M. Burqueires, B. H. Kroger, James K. Clarke, J. E. Ingraham, Henry Phipps, Paris Singer, W. J. Conners, E. T. Stotesbury, E. R. Bradley. Perhaps nowhere in the U. S. did so small a fair have so many distinguished backers as were these and other men who initiated it.

The fair became dormant in the depression years. In 1941 attempts were made to reactivate it. These came to an abrupt halt on Dec. 7 when the Japanese attacked Pearl Harbor.

Following the end of World War II, the fair re-organized. It made its first appearance in 1945. This was limited to an industrial exposition held at the Armory.

In 1948 the fair was moved to Morrison Field where it remained until the Palm Beach Air Force Base was reactivated during 1951-52.

For the next three years they at-

tempted to show on the grounds of the Palm Beach Speedway. While highly successful in increasing attendance, the overhead necessitated by an all-tent operation took most of the profits.

The Board of Commissioners of Palm Beach County deeded 165 acres to the fair in May 1937, and the fair purchased an adjacent 42 acres. This present site is on U. S. 98—eight miles west of U. S. 1 and West Palm Beach.

In spite of history's postponements and other adversities, 1960 will mark a great step forward in progress. Between business crash, hurricanes and wars the South Florida Fair and Exposition is emerging bigger than ever before.

Re-elected at the annual meeting for his sixth consecutive term was W. A. Boutwell, Sr. Assisting him are Fred G. Yount, 1st Vice President, A. B. Crouch 2nd Vice President, C. W. Garner, 3rd Vice President and John W. Turrentine, Treasurer.

Other members of the Board of Directors are: County Agricultural Agents, Clifford R. Boyles of Okeechobee County, Robert S. Pryor of Broward County, John D. Campbell of Dade County, Levi M. Johnson of Martin County, Forest N. McCullough of Indian River County, M. U. Mounts of Palm Beach County. Also G. Bernie Bensel, Loxahatchee, R. C. Haviland, West Palm Beach, Paul Dreher, West Palm Beach, E. D. Hendrick, Lake Worth, Claude L. Shirley, Pahokee, John Stetson, Palm Beach, Ed F. Stumpf, West Palm Beach, R. P. Tomasello, West Palm Beach, R. D. Hill, West Palm Beach, Lake Lytal, Lake Clarke Shores, J. Robert Meachen, Palm Beach, Howell L. Watkins, West Palm Beach, Luther Jones, Belle Glade, MacAlister Markers, West Palm Beach, Roy S. Rood, Jupiter, B. A. Rowland, Jr. West Palm Beach, E. V. Faircloth, West Palm Beach, Robert McK. Thompson, Lake Worth, Stanley Weaver, Boynton Beach and David Webb, Boynton Beach.

### Mission Program Held By Baptists

Mrs. Marvin Crady presented the mission study program at the monthly meeting of the Woman's Missionary Society of the Pahokee First Baptist Church held at the church with Mrs. E. B. Gamble, president, presiding at the business session. The society voted to change the time of its regular meetings. Starting in October, the group will meet at 3:30 p. m. on the fourth Monday of every month instead of holding night meetings as has been the custom for the past several months.

### 5,462 Persons Helped By State Welfare

Thomas E. Penick, Chairman of District 10 Welfare Board of the State Department of Public Welfare, reported that in Palm Beach County 5,462 persons were assisted in the four categories of public assistance for the month of August.

A total of 1,688 persons received Aid to the Blind, totaling \$5,137.00. 881 families, representing 2,754 children, received Aid to Dependent children in the amount of \$56,839. 183 persons received Aid to the Disabled in the amount of \$10,356.

In addition 207 children received service during the month, 106 of whom were in foster homes. The total state and local cost for these child welfare services was \$7,018.39.

There were 8 adoption petitions studied for the Circuit Court. These are children placed in home independent of service through a licensed child placing agency, and the Welfare Board is responsible according to law to make these reports to the court.

Palm Beach County is also represented on the District 10 Welfare Board by Mrs. Doris Sasser, Pahokee, the Rev. Paul M. Cassen, Mrs. Helen R. Tedder and Mrs. Helen D. Woodward, West Palm Beach.

### WINDY TALKS

Charles C. Willis, Atlantic Coast Line Railroad freight agent, was speaker at the Thursday luncheon meeting of the Pahokee Rotary Club last week. Introduced by C. E. ## Pick your savings target and shoot straight for it!

**A** home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you *before* you have a chance to spend it. Your money will go automatically into U. S. Series K Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

**For the big things in your life, be ready with U. S. Savings Bonds**

*Uncle Sam made the bonds you own  
an even better bargain!*

# Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid  
your interest as current income—  
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Mr. and Mrs. Don Collier have moved into the house on Banyan Avenue vacated by the Johnsons.

Mr. and Mrs. W. D. Reid and daughter, Linda, have returned to make their home in Pahokee after residing for the past year at Green Cove Springs. Mr. Reid has resumed his former job as maintenance man at the Everglades Memorial Hospital. The Reids were called to Buford, S. C., the past week by the death of his mother, Mrs. W. D. Reid, Sr.

MISS BETH SMITH OF CANAL POINT

## Miss Beth Smith Will Wed Harry Elarbee Saturday, Sept. 5 In Church Ceremony

Miss Beth Smith of Canal Point, bride-elect of Harry Brooks Elarbee of West Palm Beach, is being honored this week in social events prior to her marriage to Mr. Elarbee which will take place at the Canal Point Baptist Church Saturday, Sept. 5, at 4:30 p. m.

Mrs. Paul Rardin and Mrs. J. S. Chastain will be hostesses at a bridesmaids' luncheon honoring Miss Smith and her attendants to be held at Mrs. Rardin's home Friday at noon. A guest, in addition to the attendants, will be Miss Annette McIntosh, who will serve as pianist at the wedding and will present the program of nuptial music together with Robert O. Lampi, vocalist.

Mrs. C. L. Stuart will be hostess

at the rehearsal supper to be held in the social hall of the Canal Point Methodist Church at 5:30 p. m. Friday for the wedding party prior to the rehearsal at the Baptist Church.

Miss Smith's mother, Mrs. R. T. Smith, entertained at her home Wednesday afternoon with a Coke party, giving friends an opportunity to view the many lovely gifts received by the honoree at a calling shower held recently in her honor. The hostess was assisted by Mrs. James Gibson.

The reception following the wedding Saturday afternoon will also be held at the home of Mr. and Mrs. Smith in Canal Point. No invitations are being sent locally but all friends are invited to both the wedding and reception.

Jim Thomas of Waycross, Ga., was a recent guest of Mr. and Mrs. J. V. Thomas and other relatives in Pahokee and Canal Point.

Mr. and Mrs. Delmar L. Hooks had as guests the past week their daughter, Mrs. Bob Harris and children of West Palm Beach.

## Food Fair Going Into Gas Business

MIAMI—Food Fair Stores, Inc., the nation's sixth largest supermarket chain, has disclosed plans to establish and operate its own gasoline and automobile service stations as a customer service. Six stations are now being operated by the chain and plans call for 24 more to be opened within a year.

This marks the first time a major retail food chain has operated out of gas and service stations for consumers. Food Fair's stations will be operated by a wholly-owned subsidiary, Food Fair Service Centers, Inc.

Food Fair was an early pioneer in supermarketing and now operates close to 400 markets in nine eastern states from Connecticut to Florida.

## Vegetable Group To Study Growth

Outstanding scientific research work on vegetables and subtropical fruits will be recognized and rewarded at the opening business session of the Florida Fruit & Vegetable Association's Annual Convention, September 23, at Miami Beach.

Now in its fourth year, the award program was established to publicly acclaim those researchers—whether working for private industry, state or government departments, educational institutions or on their own projects—who help make farming a better, more fruitful business through progressive experimentation.

The 1959 awards, incorporating cash benefits to the winners, will be presented on behalf of the Association, by William M. Fifield, Provost for Agriculture, University of Florida, Gainesville.

Fifield, a 30-year veteran in Florida agriculture, coordinates administratively the work of the College of Agriculture, Agricultural Extension Service, Agricultural Experiment Station, and the School of Forestry.

## Christian Science Group Of Canal Point

Man's God-given dominion over disease and enslavement will be stressed at Christian Science services this Sunday.

Accounts of spiritual dominion to be read from the Bible include Christ Jesus' healing of the "woman having an issue of blood twelve years" (Luke 8) and Paul's healing of Eutychus who "fell down from the third loft, and was taken up dead" (Acts 20). The Lesson-Sermon is entitled "Man".

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read this passage: "The enslavement of man is not legitimate. It will cease when man enters into his heritage of freedom, his God-given dominion over the material senses" (228:11-13).

The Golden Text is from Genesis (1:26): "God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth; and over every creeping thing that creepeth upon the earth."

## Kindergarten Will Open September 8th

Mrs. Arch Blakey's private kindergarten will open at Mrs. Blakey's home on Annona Avenue Tuesday, Sept. 8, at 8:30 a. m. and classroom sessions will be held thereafter daily every morning from 8:30 to 11:30 Monday through Friday through the school year. This will be the 13th consecutive year Mrs. Blakey has operated a kindergarten in Pahokee. A total of 40 five-year-old children have been registered for classes and, because there is no room for any more pupils, further registrations cannot be accepted.

## Births

Mr. and Mrs. J. D. Perviss (Mabel Smith) of Canal Point announce the birth of a son, John Ellis, at the Everglades Memorial Hospital, Aug. 25.

Mr. and Mrs. Lee Carol Parker (June Dunaway) of Pahokee announce the birth of a son Scott Medford, at the Everglades Memorial Hospital, Aug. 22.

Mr. and Mrs. Guy Thompson (Mattie Hales) of Canal Point announce the birth of a daughter, Linda Gail, at the Everglades Memorial Hospital, Aug. 18.

Mr. and Mrs. Elmer B. Elliott (Sylvia Wilson) of Lakeland announce the birth of a daughter, Lona Lynn, at the Lakeland hospital, Aug. 25. Mr. and Mrs. Lon Wilson of Pahokee are the maternal grandparents and Mr. and Mrs. B. Elliott of Fort Pierce, the paternal grandparents. Mrs. Wilson is spending a few days with her daughter and family in Lakeland.

## State Agencies To Get Group Study

TALLAHASSEE—Activation of a 10-man committee to make an intensive study of the operation of state agencies has been announced by Chairman Tom Adams of the legislative council.

The committee will be known as the governmental organization committee. It will evaluate the relationship between agencies in an effort to point out overlapping of functions.

Rep. William V. Chappell, Jr., of Marion County will serve as chairman of the group. Other members are Reps. S. C. Smith, Doyle Conner, Mallory Horne and George P. Minnison; and Sens. Fred O. Dickinson, H. H. Hair, John Rawls, Adams and Sen. President Dewey M. Johnson.

## Funeral Services For Simmons Youth

Funeral services for Raymond Lee Simmons, 8, son of Mr. and Mrs. Robert T. Simmons of Pahokee, were held at the Church of God on Barfield Highway Saturday at 10 a. m., with the Rev. Thomas K. Shoemaker officiating.

Raymond Lee drowned in Lake Okeechobee around 3:30 p. m. Wednesday afternoon while playing in the water with his brother and three sisters across the levee back of his home near Adams' Grocery on Bacom Point Road. He disappeared under the water after apparently stepping in a deep hole. It was more than a half hour later before the body was recovered by James Smith, Pahokee High School student, after repeated dives in about six feet of water.

He is survived, in addition to his parents, by three sisters, Mary Ann, Arlene and Gloria Jean; and two brothers, Jimmy and Robert, Jr.

Burial was at the Port Mayaca Cemetery. Williams-Wetherington Funeral Home was in charge of arrangements.

## HOME FROM VIRGINIA

Mrs. N. R. Lemonds and son, Sammy, have returned to their home in Pahokee after spending the summer in North Carolina and Virginia. Mr. Lemonds, who accompanied them to Pahokee, has returned to Greensboro, N. C., where he will continue to operate his produce trucking business until later this fall when he will rejoin his family here for the season.

## CARD OF THANKS

I would like to express my heartfelt thanks to everyone who was so kind to me in my recent illness. Especially I would like to thank each one who sat with me, and for the beautiful flowers sent to me. The visits of the ministers and the prayers were greatly appreciated. I would also like to thank the staff of Everglades Memorial Hospital for their kindnesses.

S. F. Lowery.

## Power Mowers Are Very Dangerous

CHICAGO — A Florida woman was killed when a steel blade sailed 50 feet through a window pane and struck her.

A little girl died when her jugular vein was severed by a flying piece of metal.

II Invasions was hospitalized when he was wounded by a flying kitchen spoon in his own front yard.

These three people were victims of one of the most common of the new-fangled home tools — the power mower.

In 1958, an estimated 15 million power mowers were in use, according to the National Safety Council. While no national statistics are available, a study in Georgia turned up the following facts:

1. Three out of 10 persons injured in power mishaps were hurt by objects thrown by the mower.
2. One injury in seven resulted in some permanent disability.
3. Toes and feet were parts of the body most often injured.

4. More than nine-tenths of the accidents involved rotary type mowers. The Council believes that is due at least in part to the great number of such mowers in use.

The power mower is no more dangerous than any other home tool, the Council said, if properly used and if a few basic rules are observed. For example:

Don't use an electric mower when the grass is wet and slippery.

Never allow youngsters or pets near a power mower. Never let a youngster operate one.

Make sure the area to be mowed is free of sticks, stones, wire and other obstacles.

Shut off the mower before moving it from one level to another or when you're working on it. Never leave the mower unattended when it's running.

Don't refuse the mower while it's running or still hot from use. Always refer to the manual.

When starting the engine stand with your feet planted in a safe spot—away from the blades. Always be sure of your footing and balance—especially when mowing is on an incline. On hills and banks cut sideways, not up and down.

Know how to disengage the clutch and stop the engine quickly. The Safety Council said features to look for in buying a mower should include a good balance, wheels large enough for easy operation over rough and uneven terrain, and a handle long enough so that the operator cannot pull the mower back onto his feet.

All moving parts of the mower should be enclosed in order to prevent contact with humans.

## Planning Retreat Held By Fellowship

The Pahokee Senior Methodist Youth Fellowship held a Planning Retreat at the St. Lucie Canal near Fort Mayaca Saturday for the purpose of planning MYF activities for the coming year. Those attending were members of the MYF Council, headed by President Kathy Wilson, and adult advisors for the Senior MYF. A picnic luncheon was enjoyed at noon.

## OES ANNUAL PICNIC

Pahokee Chapter No. 184, Order of Eastern Star, held its annual picnic supper in observance of Robert Morris Day at the Community Building in Canal Point on Thursday evening of last week with the families of members attending as guests. Mrs. Ruth Meredith and her committee were in charge of arrangements.

## SWIM PARTY FOR JAN

Jan Plumer was honored before she returned to her studies at Pahokee High School this week at a "Eye Pool, H School!" swim party given by her parents, Mr. and Mrs. William S. Plumer, at the municipal pool in the City Park Tuesday night.

a castle in the air costs nothing  
—but you can't live in it!

Make your dream house come true! It's easy  
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,317.30!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

*If you want your interest as current income, ask your bank about Series E Bonds, which pay dividends directly by Treasury check.*
